

How To Series for Goof Off

The premise behind this concept and execution was to show how to solve each problem with quick cuts of video that move quickly between each step. The actions and tools used are written on screen, in lieu of voice over. An upbeat sound track plays in the background.

Bringing It To Life

POV Camera Angles | Shoot In Studio
 Only See Hands of Anonymous Character
 No VO | Fun Up-Beat Music
 Twenty (20), :20 Second Videos Created
